**HOW ABOUT SUNDAY NIGHT BIBLE STUDY?** Fearless Conversation is an adult bible study designed to build relationships through authentic conversation with bible study facilitators Mike Hutcheson and Barb Mertens. A fearless conversation is a open dialogue that addresses "wondering" questions about faith and God in a compassionate environment, using the Bible as our source to find the truth. YOU are invited to join us via ZOOM for this bible study every Sunday night from 7 – 8 p.m. We know that your lives are busy but this may be another opportunity to be in God's word. Group is not age specific. You can MUTE yourself if you are not comfortable sharing. This is an informal bible study being connected to God's word We welcome the conversations of various age groups. Below is the permanent link for the class.
