CRAFT Day 4: Draw Along Self-Portrait

Supplies:

pencil, eraser, mirror, white paper, colored pencils, Instructional video

The instructions for today's craft are embedded in the VBS Day 4 video around time marker 10:35. Everyone can try it, parents too. The best way is to be patient and pause when you need to after each step. If you don't like something you've drawn, don't give up! That's why God gave us erasers— erase it and try again, and keep going! Everyone's is going to be different— and that's just right. Be proud of your work, and show us your results, too. In the end, don't forget to write in the message "Jesus said, "We will always be together" because He will never leave us, even to the end of time, He promised!

Chew! Chew! Snack Suggestion

Day 4: Train Crossings

Supplies:

stick pretzels, celery sticks, wafer cookies, licorice whips, etc

Today's VBS story is the most important one from the Bible— Jesus loving us so much that He gave His life on the cross, and rose again to life so that we could be with Him forever in eternity. Crosses are so symbolic because they remind us of that ultimate sacrifice that God Himself for us, even though we don't deserve it.

Go on a hunt for snacks that you could make crosses out of: ex. two celery sticks joined with cream cheese, pretzel sticks joined with peanut butter, vanilla wafer cookies, separated and iced back together, licorice, etc.

Why do so many Christian wear a cross or have them hanging in their homes? Do you have any?
