Day 5: Train Tracks

Supplies:

licorice whips and granola bars

The final story of the week was about how the church got together after Jesus' ascended into heaven. We learned how God places people in our lives to help each other— and His power helps us be good friends. For a snack, build some train tracks from granola bars lined up parallel to each other with licorice rails going across. How would tracks would with just one rail? Why does God ask us to help each other and be good friends? Are we stronger together?

CRAFT Day 5: Church friends Puzzle

Supplies:

sharpie, crayons or colored pencils

Draw and color your own puzzle of your church family—remember the church is not just a building but the people God gave us to help each other.
